## Industrial 3D Printing In South Africa One Day Seminar – Cape Town

 **Date and Time:** Thursday, 18 June 2026, 8:30 – 16:15

 **Location:** Cape Town Creative Academy, V&A Waterfront

We hereby welcome you to our Seminar.  
Strap in and enjoy the day with us!

| Time  | Item  | Speaker / Note  |
|-------|---|---|
| 08:30 | Arrival & coffee  | Get tagged and fuel up with "engineering rocket fuel".                                      |
| 09:00 | Welcome & brief Introduction  | <b>Philip Van Der Walt</b><br>(Director, The AM Institute)                                  |
| 09:10 | Additive Manufacturing in South Africa and beyond   | <b>Marius Vermeulen</b><br>(CEO, Aditiv Solutions)  |
| 09:40 | Printing Time and Space   | <b>Kimon Paxinos</b><br>(Global Sales and Marketing Executive UVIROCO)                      |
| 10:05 | Integrate, Accelerate, Innovate: How Barrows Leverages AM to Outpace Supply Chain, Integrate With Traditional Manufacturing, and Accelerate Innovation. | <b>Dino Kartoudes (Head of AM) &amp; Brett Horn (Head Of Product Innovation)</b><br>Barrows |
| 10:30 | <b>Break:</b> Coffee & conversation   |   |
| 11:00 | Strategic integration of additive manufacturing in diverse product development lifecycles   | <b>Philip Van Der Walt</b><br>(Director, The AM Institute)                                  |
| 11:25 | The nuts and bolts of metal 3D printing   | <b>Jurgens Taljaard</b><br>(Engineer, Aditiv Solutions)                                     |
| 11:50 | From CAD to Production Without Surprises  | <b>Howden Farham</b><br>(Senior Product Design Engineer)                                    |
| 12:15 | <b>Lunch:</b> Feast, mingle and check out the exhibits,   |   |
| 13:20 | An Update on ASRI's current AM activities   | <b>Jean Pitot</b><br>(Co-Founder & Chief Engineer, ASRI)                                    |
| 13:45 | The Straight Line Tax - How Orthogonal Manufacturing and Design Weighs Down Space Flight  | <b>Nik Ivanovic</b><br>(Head of Mechanical Engineering, Dragonfly Aerospace)                |
| 14:10 | Beyond the Build Volume: Industrial Applications of Large Format Additive Manufacturing   | <b>Denislav Marinov</b><br>(CEO / Founder, Amnova)  |
| 14:35 | How can you access AM machines or services for your business?   | <b>Marius Vermeulen</b><br>(CEO, Aditiv Solutions)  |
| 15:00 | <b>Afternoon Coffee Break</b>   |   |
| 15:30 | Q&A panel discussion  |   |
| 16:15 | Launchpad: Taking AM Back to Your Workshop  |   |
